

# Soromtochi Anozie

---

Keen student looking to break into Game design. Fast learner and comfortable working alone and in teams. Always looking to gain new insights from challenges.

---

## ◆ SKILLS ◆

Adobe suite | UI/UX | Typography design | Concept art | Animation

Layout Design | Video editing | Presentation & Communication | Audio processing

Java | Javascript [P5js] | HTML | CSS | Project Management

---

## ◆ EDUCATION ◆

**University of Waterloo** – *Global Business and Digital Arts*

September 2024 – April 2029 [Projected]

**Bearspaw Christian School** – *High School Diploma*

September 2012 – June 2024

---

## ◆ RELEVANT PROJECTS ◆ [ See website for deep dives ]

**Video Game Mod Artist / Developer** – *Commission / Personal*

Sept 2025 – PRESENT

- Created pixel art UI elements to visualize ideas and provide placeholders for work in progress features
- Created concept art to iterate through ideas quickly.
- Hand made models, textures and animations for enemies, items and VFX for use in-game
- Utilized IntelliJ to implement features in Javascript

**Gilded** – *Hytale New Horizons Mod Jam Project*

March 2026 – April 2026

- Composed concept art for creatures and environments, allowing clear direction for models and
- Drafted boss design document, establishing clear goals for each action
- Personally created models, textures, and animations for use in game
- Created world generation graphs and environments, allowing for a smooth transition between mysterious and welcoming regions

- Devised enemy behaviours through the in-game asset editor

## **Web Design Final Project** – *University of Waterloo*

December 2025

- Workshop layouts using Figma, allowing for rapid progress in numerous layouts
- Compiled information and experience to explain projects and processes
- Carefully selected typographical elements, solidifying readability
- Earned recognition from instructor, showcased at the end of semester and used as an example for following term's students

## **Iconography Assignment** – *University of Waterloo*

January 2025

- Utilized Adobe Illustrator to produce high quality icons for use in branding and merchandise
- Revised content based on peer and instructor feedback to improve designs
- Iterated through numerous colour pallets to land on best option

## **Magazine Assignment** – *University of Waterloo*

April 2025

- Created a robust visual identity through photography of objects and landscapes
- Edited photo tones in Photoshop to ensure unity
- Used typography knowledge to arrange compelling text blurbs, headings and titles
- Assembled layout drafts and final copy with InDesign

## **Client Design Assignment** – *University of Waterloo*

February 2025

- Worked closely with classmate to develop a poster to accurately represent their values and story
- Conducted interviews to improve knowledgebase and improve client relationship
- Drafted posters for review with client to confirm ideas were to their liking
- Created final high-res product and design reflection for presentation to client

## **Emotional Design Assignment** – *University of Waterloo*

March 2025

- Made low and medium fidelity product prototypes to exemplify a given emotion prompt

- Storyboarded, rehearsed and recorded a video using Davinci Resolve and Adobe Audition to further push the prompt
- Selected and edited audio tracks and video brightness to improve portrayal of emotion

### **Silent Documentary Assignment** – *University of Waterloo*

January 2026

- Wrote up production and treatment plans to clearly define direction and needed filming elements.
  - Shot and edited rough cut for in class feedback sessions
  - Utilized peer and instructor feedback to improve viewing experience
  - Selected to be played at the Stratford School of Interaction Design and Business open house
- 

### ◆ Experience ◆

#### **GBDA Society Director of Operations** – *University of Waterloo*

April 2026- PRESENT

- Coordinate directors to reinforce communication and meet deadlines
- Workshop and present events during team meetings, considering feedback and reworking ideas with other executive input
- Correspondence with Waterloo Student Association, keeping both parties on the same page regarding events

#### **Youth and Young Adults Volunteer** – *CANPAD Doctors Conference*

August 2025

- Worked closely with organizing team to deliver information to attendees
- Handled tech and slides during meetings allowing event to flow naturally
